WELCOME TO THE ICMS COMMUNITY

Congratulations, you have made a great decision to join the ICMS student community. Orientation Week (O-Week) is just the start of what lies ahead in your journey with us. This week will be full of fun times and it's a great chance to get involved and experience all ICMS has to offer.

O-Week is a great time for you to participate in activities, meet other new students like yourself, as well as see all the opportunities that are here for you. ICMS is a welcoming and caring place to be, where we all look after one another and help each other out. You will be entering a new environment and things may feel different. Take time to familiarise yourself with the culture so you soon feel like you belong and have an incredible student experience. Keeping a healthy balance will also be important. This week will give you a taste of all the student activities and groups that you can get involved in as well as the support that is here for you.

You will have the chance to interact with student volunteers, your Student Representative Council (SRC) members, Resident Leaders (RLs) as well as getting to know the people at ICMS. Over the coming weeks, you will meet people that will be here to assist you so you can make the most of your time here, and achieve your full potential. Also take time to connect with your lecturers, staff members and your peers. You will soon feel like you're part of a supportive community.

We want to share your future success and we look forward to being part of your journey. Enjoy!

BEACH BREAKS

Hope you brought your sunscreen, swimming costumes and surfboards because it's time to get exploring world-class beaches within walking distance of our beautiful 'castle on the hill'.

SHELLY BEACH

Shelly is the closest beach to the ICMS Manly campus, forming part of Cabbage Tree Bay, a protected marine reserve. Scuba divers and snorkelers love this beach thanks to the large variety of marine life. Pack a picnic and enjoy the BBQ facilities available, or enjoy a meal at the beachside restaurant.

MANLY BEACH

Voted Australia's Best Beach two years running by TripAdvisor! With some of the best surfing waves in the world and lifeguards on duty for bathers, Manly Beach is a popular spot among ICMS students.

QUARANTINE BEACH

Named after the old Quarantine Station, which operated from 1828-1984. Today it is part of the Sydney Harbour National Park. Its buildings are used for conferences and guided tours are conducted of the Station.

MANLY COVE

On the "ferry side" of Manly, this awesome beach is perfect for a chilled day out with friends. The eastern side is locally known as 'the office' because of its popularity for after-work sundowners - so if someone invites you for a 'drink at the office', don't wear your suit!

LITTLE MANLY

Little Manly Beach is one of Sydney's best kept secrets. The calm waters and quieter vibe offers an alternative to the busy Manly beach. There is a beach kiosk nearby, and the beach offers stunning harbour views, BBQs and picnic spots.

COLLINS FLAT

Collins Flat Beach is a romantic 'secret' harbour-side beach nestled between North Head and Little Manly.

STORE BEACH

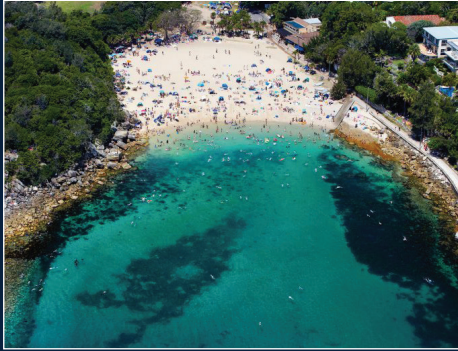

This sheltered beach is only accessible by water. This wonderfully secluded beach will make you feel like you're on a remote island in North Queensland.

FAIRLIGHT BEACH

The beach has amazing views right out to Sydney Heads, some good snorkelling, a sheltered swimming pool, and grass to lounge about on and munch your picnic goodies.

FRESHWATER BEACH

"Freshie" is a stunning beach, just a short walk north from Manly and is famous as the spot where surfing was first introduced to Australia. An eight lane, 50 metre saltwater pool at the north end is a favourite with lap swimmers.
